RE: Permit Reissuance
NPDES Permit No. DE 0000736
Pinnacle Foods Corporation

Mr. Hummel,

We have reviewed the draft permit and Fact Sheet for the NPDES permit renewal. We concur with the proposed changes and agree that the permit accurately depicts the parameters of the operation.

We did make the following observations during our review that may require some changes.

1. The name of the company has changed to Pinnacle Foods Group LLC.
2. The calculations for special condition #7 regarding the actual amount of nitrogen and phosphorus removed by our Nutrient Offset Plan do not match in the permit vs. the fact sheet.

We want to take this opportunity to thank you for the extension granted to review the draft. The additional time was very helpful during the peak of our production season.

If you have any questions or need more information please contact me at (302) 934-3841.

Sincerely,
